# Researcher Identity in the Social Sciences (RIESS)

This Project on *Researcher Identity in the Social Sciences* (RIESS) aims to produce knowledge and effective online resources to support new researcher development in the European context. It is being distributed in Spain, Finland and the UK to PhD students and post-docs at research intensive universities in the fields of Psychology, Education, Economics and Law.

The survey takes **15 minutes** to complete, and focuses on how new researchers construct their identities and the difficulties and incidents they face in this process. The survey is voluntary and anonymous. By clicking on 'next', you agree you feel informed about the project and are prepared to participate.

The project has the approval of the ethics committee of the coordinating university (CER-URL, 2013\_005) and the funding agency (CSO2013-41108-R; ARCES-CIS.11.22.2013). For more information, please visit [www.fins-riess.com](http://www.fins-riess.com)

If you start the survey but do not have time to finish it, you can press the "**continue later**" (top right). You can resume later by accessing the link again from the same computer on which you began to fill in the questionnaire.

Press the "**Done**" button (on the last page) when finished. Since the survey is anonymous, the application only allows one survey per each computer; if you use a shared computer, you can only perform a single survey from this computer.

## 1. Indicate what group you belong to

## 2. Indicate the disciplinary background of your doctoral or post-doc project

- Psychology
- Education

I often postpone writing tasks until the last moment	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Writing is a creative activity	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I find it difficult to write, because I am too critical	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
My previous writing experiences are mostly negative	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I write regularly regardless of the mood I am in	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I produce a large number of finished texts	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

I find it easier to express myself in other ways than writing	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I only write when the situation is peaceful enough	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

I find it difficult to hand over my texts, because they never seem complete	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I start writing only if it is absolutely necessary	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I hate writing	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I am a regular and productive writer	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I could revise my texts endlessly	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I write whenever I have the chance	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Writing is difficult because the ideas I produce seem stupid	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Writing often means new creating ideas and ways of expressing oneself	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
