

Apprise Timeline of TINA

Tina, a North American in her mid-thirties, was working as a project agent in government when she began the PhD. Tina chose doctoral work in order to build a career in academia, increase her knowledge of the field, and pursue intellectual interests. When Tina joined this study, she was just about to graduate, and move into a post-doctoral fellowship. What struck us about

Tina's story was:

Co-funded by the Erasmus+ Programme of the European Union
